## **Plan Group Inc. Acquires Gastier M.P. Inc.**

TORONTO, July 17, 2015 /CNW/ -- Plan Group Inc., a Canadian technical services provider and subsidiary of Bouygues Energies & Services, has fully acquired Gastier M.P. Inc. from Investissements Hexagone Inc. (IHI). Based in Anjou, Québec, Gastier generated over \$140 million in revenue in 2014 with 120 permanent employees and approximately 500 hourly employees.

Gastier specializes in electrical, instrumentation, piping, plumbing and mechanical works, maintenance of industrial plants and steel construction. Established in 1971, Gastier has developed a reputation as a leader in the Quebec construction industry with its unique, multi-disciplinary approach and superior customer service.

### *A new step in Plan Group's national growth strategy*

This acquisition is an important step in Plan Group's national growth strategy. Gastier represents a significant advance for Plan Group into the dynamic Quebec marketplace. The acquisition solidifies Plan Group's presence in the industrial sector while expanding its electrical and mechanical construction capabilities and relationships within the commercial construction and services sectors. Also it provides Plan Group the appealing opportunity to further advance and market its innovative ICAT (Information, Communications & Automation Technologies) service.

Gastier's management team will remain in place, as will the company name, logo and brand.

"Gastier is an excellent partner for Plan Group. It is a longstanding company with a solid brand, strong management team and consistent values" says Bill Kurtin, Plan Group's CEO. "We're very excited about what this means for our future."
